How do I register and pay for summer school?

1st period	7–11 a.m.
Lunch	11–11:30 a.m.
2nd period	11:30 a.m.–3:30 p.m.

What is the attendance policy for summer school?

Because of the length of the class period (four hours) and the shortness of the summer school semester (17 days), students are required to attend class for a minimum of 16 days in order to meet the high school accreditation standards. Therefore, a student may miss no more than one day of summer school. A second absence will result in the student's withdrawal with no refund. All absences (excused and unexcused) count toward attendance. No exceptions will be made. **NOTE:** Tardiness affects learning and is disruptive to the class. See consequences below:

Late to class (after the bell rings, in the first 30 minutes) = 1 tardy
3 tardies = 1 absence

Late to class (more than 30 minutes) = 1 absence

2nd absence = Withdrawal from summer school (no refund)

Is lunch served in the cafeteria during summer school?

The school cafeteria does not sell lunch during summer school. However, vendors sell lunch items (pizza, chicken sandwiches, etc.) to students during the half-hour lunch break. Students also may bring their lunch from home. **Students on campus for both 1st and 2nd period classes may not leave campus between classes for any reason. Leaving campus will result in a one-day suspension (an absence for attendance purposes).**

What about final exams and other tests?

Students enrolled in the second semester of these courses— 9th or 11th grade Language Arts, Integrated Algebra I, Integrated Geometry, Biology, Economics, and U.S. History— must take the state-mandated End of Course Test (EOCT) in that subject. Set for a **July 2–5** testing window, EOCTs count for 20% of the student's final grade. The EOCT serves as the final exam for the course.

All students in non-EOCT courses must take final exams, no exemptions. Finals are scheduled for **July 11:**

1st period exam	7–9 a.m.
Break	9–9:15 a.m.
2nd period exam	9:15–11:15 a.m.

Final exams count 20% of the total grade.
