

# Science Gateway

## On-line Tutorial and Practice Essay

**If you are preparing for the Science Gateway Assessment, check out these resources.**

### **On-line Tutorial**

Self-guided tutorial is available to review possible biology and chemistry topics and strategies for testing day.

### **Practice Gateway Essay**

Students are invited to write an essay responding to a practice gateway prompt posted on the GCPs website. Feedback will be provided to students. Students should use the submission form provided on the website and email to [practicegateway@gwinnett.k12.ga.us](mailto:practicegateway@gwinnett.k12.ga.us)  
Submission timeframe is October 2 – 16, 2009.
